

St Mary's
Catholic Primary School and Nursery

SCHOOL TRANSPORT UPDATE

As you are aware, St Mary's Catholic Primary School & Nursery and St Thomas More Catholic High School have been providing a replacement school bus service following the collapse of Routemaster Buses at the beginning of the autumn term. This service has been heavily subsidised by both schools.

You may also be aware that St Thomas More issued a letter last week to confirm that they would no longer be able to continue to subsidise their share of the transport costs after July 2017.

St Mary's have not made a decision at this present time.

We are currently investigating the possibility of providing a smaller bus for both the Primary School and High School families. Whilst we cannot guarantee that an alternative can be found, we are investigating all possibilities to ensure that transport can be maintained for all our families from September 2017.

We would appreciate the completion and return of the information below in order to establish an idea of your transport requirements.

Pupil's Name:

Class/Form:

Please tick:

- I do not require transport for my child from September 2017
- I do require transport for my child from September 2017 on the following days:

Day	Morning	Afternoon
Monday		
Tuesday		
Wednesday		
Thursday		
Friday		

- The maximum price I would be prepared to pay per journey is _____ (current cost per journey £1.80)

Parent's Name:
