CORONAVIRUS: FURTHER CHANGES

Dear Parents/Carers,

As you are aware from my previous letter, we are in unprecedented times. The government's guidance on the coronavirus changed from the 'contain' phase to one of delaying the spread of the virus. The daily changing landscape requires swift action and responses, whilst at the same time balancing health advice and a growing parental concern around the spread of the virus within and beyond our school community. Please keep updated by visiting our school website.

As a result of the advice yesterday around social distancing, we are having to review and consider any gatherings and activities within and beyond our core offer. Whilst we appreciate that these decisions impact on the children, I am also confident that you will acknowledge that this decision has been taken to minimise the risk to your child of coming into contact with the coronavirus. We have also cancelled any non-urgent meetings held in school and are limiting who does and does not come onto the site on a daily basis.

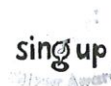

We will let you know when events and activities have been re-scheduled. Thank you in advance for your understanding and continued support. We will continue to respond to advice and guidance.

Please find overleaf a table of the changes so far with effect from **Wednesday 18th March 2020**.

Yours faithfully,

Mrs S M Fau-Goodwin

Head Teacher
