Friday 29th November 2019 – We are wearing green for £1!

CHANGING OUR CLIMATE ONE TREE AT A TIME!

Dear Everyone,

Just One Tree is a non-profit initiative removing CO2 from the atmosphere through global reforestation. They make it simple for everyone to contribute to collective action on the climate crisis. **Just £1 plants 1 Tree. We want our school to join in!**

Just One Tree will donate on our behalf to established reforestation partners who concentrate their planting in areas severely affected by mass deforestation. In doing so, they have the greatest positive effect on combating global warming whilst at the same time alleviating extreme poverty through training, education and employment. We've put some information on our website for you to read – it has inspired us into action!

So, on Friday 29th November 2019 we will be having a non-uniform day (wearing something green) to mark the start of National Tree Planting. Everyone hopefully will be swapping their uniform and wearing green in exchange for £1 to plant a tree.

We hope that our non-uniform day will unite children, parents and teachers, demonstrating how we can play our part in having a positive impact on the environment one step at a time.

Imagine what an incredible impact we could have here at St Mary's if every child and member of staff in our school was represented by one new tree!

Please keep the date, **put £1** to one side and let's make a difference on the **29th November!**

Thank you for reading our letter everyone!
