

CHOIR UPDATE 17 March

NO MORE SINGING FOR A WHILE ☹️

Dear Parent / Carer and Singer,

This is a very sad letter for me to write. As with all other afterschool activities, Choir has to be put on hold for the foreseeable future, with effect from next week, due to the Government's guidelines on social interaction. We must assume that all our Spring and Summer engagements are suspended as well.

Naturally I shall miss it terribly, but it is of course for the best. Imagine our excitement when we all get together again! Our singing will be even better! In the meantime I wish everyone good health - go safely!

You can always practice to our recordings at:

You could also learn "Love Can Build A Bridge" and "Perfect Day" on Youtube!

Best regards 

Mr Plant

PS I feel a new song coming on: "When The Singing Stopped"

PPS There will have to be another song later: "When The Singing Started Again"
