

CHOIR UPDATE 21 January

NEW EVENT!

We have an amazing new organ track for "Terra Lamentaria", arranged and performed by Jay Stannard of Love Music Trust. Jay and I have worked together many times over the years. He will be with us for a recording session during Choir practice on **Tuesday 11 February**. For the next few weeks we will work hard to be ready for recording.

We won't be doing any public performances before Easter: we have several things planned for the summer term, and we need to rehearse a new repertoire. But we will probably do some busking to raise money for our "Lamentaria" project.

- Early May: hopefully we will attend the Reaseheath Family Day again.
- Late May: reunion concert, with past members of the Choir. For this we will be learning several songs that have not been sung for years.
- June: Crewe Out Loud - schools Arts Festival at the College.
- July: My ambition is to have a day out in Liverpool and to perform "Lamentaria" at the cathedral. Fingers crossed!

Happy singing, everyone!

With best wishes 

Mr Plant

PS We have plenty of CDs of our recording of "The Values We Hold Dear" for sale. A snip at £2.50. Please get your copy from the school office.

Parents and carers: if your singer is going to be absent from Choir practice, please remember to let either myself or the school office know. This will avoid a call home to ensure that your child is safe. Many thanks.
