Year 5 Local study walk along Dane Bank Avenue

Dear Parent/Carer,

As part of our exciting Local study work, Year 5 are learning about the area around our school. We plan to study maps of the land around St Mary's. We are planning to map out the land use along Dane Bank Avenue. We are therefore going to spend a morning walking the full length of the road, studying the land use, taking photographs, sketching, completing questionnaires, and measuring distances.

We will go out in small groups accompanied by an adult. This will take place on:

Wednesday 18th September: **Class 17**

Thursday 19th September: **Class 18**

Friday 20th September: **Class 16**

Please remember a coat on your day!

If the weather is particularly wet we will cancel and go out on an alternative day.

Please ensure you have completed a Form D for your child with up to date contact details on.
Many thanks.
