

St Mary's Curriculum Map

Year: 3	Class: 12	Autumn Term 1 2021	Theme: What's under our feet?
----------------	------------------	---------------------------	--------------------------------------

Class Teacher: Mrs Bevington **Teaching Assistant:** Mrs Heeps/Mrs Karavia

Other Adults: Mrs Davies/Mrs Karavia and Mrs Root

This curriculum information will help you to help and support your child's learning this term. The Curriculum Map shows the main areas of learning that your child will undertake during this term.

<p>A summary of our learning for this half term:</p>	<p>During this half term we will be learning all about what lies underneath our feet. The children will learn how earthquakes and volcanoes are formed and how they affect us. During Science the children will learn about different types of rocks and soils as well as investigating different fossils! The children will learn about the artist Hokusai and create a painting inspired by his work. During computing the children will begin to learn how to write code using Scratch and create their own programmes. PE will be outside for this half term completing the athletics unit. They will develop their running and throwing techniques. In French the topic is 'Moi!'. They will be learning how to greet and introduce themselves in French. The focus will be on learning responses to the question "How are you?" and French vowel sounds and numbers 1-12.</p>																						
<p>Key Vocabulary across the wider curriculum includes:</p>	<table border="1" style="width: 100%; border-collapse: collapse;"> <tr> <td style="width: 25%;">mantle</td> <td style="width: 25%;">igneous rock</td> <td style="width: 25%;">fossil</td> <td style="width: 25%;">distance</td> </tr> <tr> <td>core</td> <td>sedimentary rock</td> <td>algorithm</td> <td></td> </tr> <tr> <td>Equator</td> <td>metamorphic rock</td> <td>code</td> <td></td> </tr> <tr> <td>tsunami</td> <td>magma</td> <td>programme</td> <td></td> </tr> <tr> <td>earthquake</td> <td>lava</td> <td>sprinting</td> <td></td> </tr> </table>			mantle	igneous rock	fossil	distance	core	sedimentary rock	algorithm		Equator	metamorphic rock	code		tsunami	magma	programme		earthquake	lava	sprinting	
mantle	igneous rock	fossil	distance																				
core	sedimentary rock	algorithm																					
Equator	metamorphic rock	code																					
tsunami	magma	programme																					
earthquake	lava	sprinting																					

<p>Through our RE lessons this term the pupils will study the following:</p>	<p>The Christian Family</p> <p>This unit is designed to develop the children's knowledge and understanding of the Sacrament of Baptism. Through the topic children explore what it means to belong to a family and to the Christian Family.</p>
--	--

	English	Maths
<p>These are the main learning objectives that will be taught during this term:</p>	<p>Charlie and the Chocolate Factory Our first book of the year is Charlie and the Chocolate Factory. We will concentrate on the characters and settings of the story. The children will create their own setting and invent their own characters. Building up to writing their own 'Lost Chapter' with their own room and troublesome child.</p> <p>Plastic Pollution – Report Writing During this unit of writing the children will draft their own report based how the world is being</p>	<p>Place value within 1000 We will learn the place value of each digit in a three-digit number. We will identify, represent and estimate numbers using different representations and compare and order numbers up to 1000 and count from 0 in multiples of 4, 8, 50 and 100; find 10 or 100 more or less than a given number and read and write numbers up to 1000 in numerals and in words. Throughout this term the children will solve number problems and practical problems involving these skills.</p> <p>Addition and subtraction The children will learn to add and subtract a three-digit number and hundreds, a three-digit number and ones, a three-digit number and tens, add and subtract numbers</p>

	<p>impacted by plastic pollution. We will learn about the damage that is being done and what we can do to help protect our beautiful planet.</p>	<p>with up to three digits, using formal written methods of columnar addition and subtraction. They will solve problems, including missing number problems, using number facts, place value, and more complex addition and subtraction. Most importantly, they will begin to use Times Tables Rock Stars and will be introduced to the 3 and 4 times tables as well as consolidating their learning around the 2,5 and 10 times tables.</p>
--	--	---

Things to Remember

P.E. Kit	<p>In school each day. Taken home for a wash at holiday time. Please include both indoor and outdoor kit . Trainers are much better than black pumps please. Jogging bottoms are also requested when the weather becomes colder. Our PE day is Tuesday but we will also complete a Golden Mile when the weather allows on a different day.</p>
To read at home	<p>Read 3 times per week with an adult at home and send me a message on Class Dojo. I will give Dojo points everytime I receive a message.</p>
Homework	<p>Weekly spellings will be given out in a small blue book every Monday. The test will be on Friday each week. Weekly homework will be given out via Microsoft Teams every Monday and will be Due in by Friday the same week. Some homework projects may be set on paper throughout the term but these will not be regular. Times Table Rock Stars will be set online each week and a short quiz will be taken every Friday.</p>

Please avoid bringing backpacks to school due to space in our cloakrooms.

Please remember to check your Class Do Jo App. daily for up to date, individual, school or specific class information.

Our School Website and Facebook and Instagram Pages are also vital sources of information.
