This curriculum information will help you to help and support your child's learning this term. The Curriculum Map shows the main areas of learning that your child will undertake during this term.

<p>A summary of our learning for this half term:</p>	<p>During this half term our History unit is "Invaders and Settlers" and we will study when and why the Anglo Saxons settled in Britain and the impact of this. The children will use evidence to ask questions and find answers to questions about this period of time.</p> <p>In Science, the topic is "Electricity." The children will create and experiment with electrical circuits and investigate whether certain materials are conductors or insulators of electricity.</p> <p>In Art, the children will learn to mix and match paint colours, use different types of lead pencil, pastels, charcoal and pen types to make a variety of lines with varying thicknesses and build up layers. This will culminate in pieces of art work depicting a range of Anglo-Saxon artefacts.</p> <p>In Design and Technology, the children will follow a recipe, to bake Anglo-Saxon bread and design their own suitable packaging.</p> <p>During computing, the children will practise their times tables using TTRS as well as using Purple Mash for coding and writing a newspaper article.</p> <p>In Geography we will use and develop our map and atlas skills, as well as using globes and digital/computer mapping to locate the countries that the Anglo-Saxons came from and describe their features.</p> <p>In PE, we will build up our stamina through regular use of the Golden Mile and will create a gymnastic sequence.</p> <p>In French the focus is L'argent de Poche (pocket money).</p> <p>In Music, we will express our opinions about music from the past using Anglo-Saxon music.</p>

The children will write a character and setting description using powerful vocabulary, similes, fronted adverbials and prepositional phrases. For Non-fiction, we will be focusing on writing non-chronological reports.	calculations and recalling key facts. We will also focus upon the place value of 4-digit numbers and addition and subtraction written calculations. It is ESSENTIAL that your child knows their times tables to 12x12 by the end of the year – Year 4 children will now sit a statutory online times tables test.

Things to Remember

P.E. Kit	P.E is on a Monday and Friday . Kit needs to be in school from the start of term and taken home at the end of each half term.
To read at home	To read at home at least 3 times per week. Your child will receive a dojo for each time they read at home, please update on Dojo when your child has read at home so they can be rewarded.
Homework	Homework weekly spellings will be sent home every Monday to learn for a test on the following Monday. There will be weekly homework tasks for comprehension and TTRS. All homework tasks will be set each Friday and will be due in by the following Wednesday.

Please avoid bringing backpacks to school due to space in our cloakrooms.
Please remember to check your Class Dojo app daily for up to date individual, school or specific class information.
Our School Website and Facebook Page are also vital sources of information.
