This curriculum information will help you to help and support your child's learning this term. The Curriculum Map shows the main areas of learning that your child will undertake during this term.

<p>A summary of our learning for this half term:</p>	<p>During this half term we will be finding out about the history of toys and how they have changed over time. We will focus on comparing toys from when our parents and grandparents were young to the toys we play with now. We will be handling and looking at toys from the past and will ask and answer questions using both photographs and artefacts. The theme of toys will extend into our D&amp;T lessons where we will be making our own soft toys using a running stitch. In art we will explore primary and secondary colours through colour mixing. We will learn how to hold a brush properly, make colour wheels and will mix our own colours to make pop art in the style of Andy Warhol. In computing we will be learning to log in to Purple Mash and will begin to explore grouping and sorting using 2DIY. We will talk about how to keep our password safe. We begin Year 1 with a Real PE unit, in which we will learn to balance on one leg, sidestep, hop, skip and gallop.</p>

Key Vocabulary across the wider curriculum includes:

new	history	safe	sew
old	change	clockwork	needle
order	past	electronic	thread
sequence	present	wooden/plastic/metal	stitch
timeline	material		template

Through our RE lessons this term the pupils will study the following:

In our RE work we will be looking at God's Great Plan and the creation story. We will look at the wonders of our world and will explore our role in looking after our world. We will also look at the story of Noah's Ark and the significance of the rainbow as a sign of God's promise.

	English	Maths
<p>These are the main learning objectives that will be taught during this term:</p>	<p>We will learn new vocabulary through our history work on Toys. We will develop reading skills and our knowledge of high frequency words. We will learn to recognise and spell high frequency words. We will begin to use capital letters for the word I, their own name and at the beginning of a sentence. We will use phonic knowledge to help spell and read new words. We will use stories to write labels and lists and write about stories with familiar settings.</p>	<p>We will learn to be able to read, write and order numbers to at least 20 and place numbers on a number track. When given a number, we will be able to identify one more and one less. We will learn to read, write and interpret mathematical statements involving addition (+), subtraction (-) and equals (=) signs. We will relate addition to counting on and use subtraction as takeaway and use the related vocabulary. We will compare and order numbers and use the equals sign. We will represent and use number bonds and related subtraction facts within 20.</p>

## Things to Remember

<b>P.E. Kit</b>	<b>In school each day.</b> Taken home for a wash at holiday time. Please include both indoor and outdoor kit . Jogging bottoms are also requested when the weather becomes colder. Our PE day is <b>Tuesday</b> but we may also complete the golden mile when the weather allows on a different day.
<b>To read at home</b>	Please read every day with an adult and sign the reading diary or send a message on class dojo.
<b>Homework</b>	Weekly English or Maths homework. Set on a Friday. <b>Due in Wednesday</b>
<p><b>Please avoid bringing backpacks to school due to space in our cloakrooms.</b></p> <p><b>Please remember to check your Class Do jo app daily for up to date individual, school or specific class information.</b></p> <p><b>Our School Website and Facebook Page are also vital sources of information.</b></p>
