This curriculum information will help you to help and support your child's learning this term. The Curriculum Map shows the main areas of learning that your child will undertake during this term.

<p>A summary of our learning for this half term:</p>	<p>During this half term Class 8 will be exploring the theme of 'Taking Care.' We will be learning about animals, including humans. We will explore how animals have offspring which grow into adults. We will find out about and describe the basic needs of animals, including humans, for survival (water, food and air) We will also begin to describe the importance for humans of exercise, eating the right amounts of different types of food, and hygiene.</p> <p>In Design and Technology, the children will cut, peel or grate ingredients safely and hygienically to create a fruit animal of their choice. In Computing we will use technology to create, organise, store, manipulate and retrieve digital content through 2PaintAPicture programming. In Music we will be developing our skills by singing in tune and in unison with a group.</p>														
<p>Key Vocabulary across the wider curriculum includes:</p>	<table border="1" style="width: 100%; border-collapse: collapse; text-align: center;"> <tr> <td>mammal</td> <td>adult</td> <td>diet</td> </tr> <tr> <td>birds</td> <td>offspring</td> <td>exercise</td> </tr> <tr> <td>reptiles</td> <td>young</td> <td>hygiene</td> </tr> <tr> <td>amphibians</td> <td>live young</td> <td>nutrition</td> </tr> </table>			mammal	adult	diet	birds	offspring	exercise	reptiles	young	hygiene	amphibians	live young	nutrition
