5 INSET DAYS: 1st & 2nd September 2022, 21st April 2023

The Education (School Day and School Year) (England) Regulations 1999 (SI 1999 No. 3181) requires schools to have at least 380 half-day sessions (190 days) in each school year, beginning with the first term to start after July. This is consistent with the 195 days a year required by a teacher's statutory conditions of service: the additional five days are for in-service training (known as INSET days).

The governing body is responsible for setting five INSET days out of the school calendar.

2 additional INSET Days to be confirmed.

Parents are reminded that holidays with children should be taken during the official school holidays.
