

St Mary's Curriculum Map

Year: 1	Class: 5	Summer 1 2022	Theme: Changes
Class Teacher: Mrs Shaw and Mrs Parkinson		Teaching Assistant: Mrs Kenny	
Other Adults: Mrs Ali			

This curriculum information will help you to support your child's learning this term. The Curriculum Map shows the main areas of learning that your child will undertake during this half term.

<p>A summary of our learning for this half term:</p>	<p>During this half term Class 5 will be learning about changes across the seasons. In Science and Geography we will observe changes across the four seasons and describe the weather patterns. We will conduct an experiment to see how the weather changes during one school week. We will also identify and describe the basic structure of a variety of common flowering plants. We will name some common wild and garden plants from a walk around our school grounds.</p> <p>In Art we will create a collage in the style of Eric Carle and mix materials to create texture, so that we can produce our Art work. In computing we will create and change simple animations, collect and store data about the weather and use digital cameras to create, edit and print images.</p> <p>In Music we are beginning to learn new songs in preparation for a Year 1 and 2 performance in July. In PE we are practising our throwing, catching and ball control skills through Real PE.</p>																
<p>Key Vocabulary across the wider curriculum includes:</p>	<table border="1" style="width: 100%; border-collapse: collapse; text-align: center;"> <tr> <td>seasons</td> <td>Spring</td> <td>branch</td> <td></td> </tr> <tr> <td>Autumn</td> <td>stem</td> <td>trunk</td> <td></td> </tr> <tr> <td>Winter</td> <td>leaf</td> <td>twig</td> <td></td> </tr> <tr> <td>Summer</td> <td>crown</td> <td>root</td> <td></td> </tr> </table>	seasons	Spring	branch		Autumn	stem	trunk		Winter	leaf	twig		Summer	crown	root	
seasons	Spring	branch															
Autumn	stem	trunk															
Winter	leaf	twig															
Summer	crown	root															

<p>Through our RE lessons this term the pupils will study the following:</p>	<p>Theme: Resurrection</p> <p>The children will explore the events following the death of Jesus including Jesus's appearances to his friends.</p>
------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------

<p>My Happy Mind & Wellbeing sessions</p>	<p>Unit</p> <p>Module 4 - Relate.</p> <p>The children will learn the importance of being able to relate or get along with others in order to have positive relationships. It uses the character strengths lens to illustrate the need to be able to see other perspectives in order to build relationships. Through lots of examples and discussion, the children learn about two key skills that will serve them well in relationship building: Active listening and Stop, Understand Consider. This is all about taking the time to pause, and think about what someone else's point of view might be and why, before taking action.</p>
<p>Ten:Ten Relationship and Health</p>	<p>Created to Live in Community explores our relationship with the wider world. Here we explore how human beings are relational by nature and are called to love others in the</p>

Education (RHE)	wider community through service, through dialogue and through working for the common good.
PHSE Links this half term:	Money Matters: We will be encouraging the children to think about where money comes from and how it can be used. Children will discuss the idea of spending and saving their money and begin to understand why it is important to keep belongings, including money, safe. They will also learn about the different things on offer when they go shopping and how we need to identify the difference between the things we want and the things we need.

	English	Maths
This half term our learning will be:	<p>This half term the children will learn new vocabulary from the work on plants and seasons.</p> <p>We will continue to develop our reading skills and improve comprehension by answering questions about the books we are reading.</p> <p>We will recognise and spell high our frequency words as part of our daily phonics lessons.</p> <p>In our writing we will use capital letters for the word I and at the beginning of a sentence. We will continue to use phonic knowledge to help spell and read new words. We will read, discuss and recite verses from poems and the children will investigate poems about nature. They will read, discuss and recite verses from poems including Wordsworth's 'Daffodils'.</p>	<p>In Maths, we will begin by learning to read, write and count numbers to 100. We will be continuing to count in 2s, 5s and 10s and explore making equal groups and writing statements such as 'there are ___ groups of ___.' The children will recognise and explain how they know when they are equal or not. Children will see equal groups that are arranged differently so they understand that the groups look different but can still be equal in number. We will make arrays to show our working. We will begin to learn our doubles up to and including double 10.</p>

Things to Remember

P.E. Kit		In school each day. Taken home for a wash at holiday time. Please include both indoor and outdoor kit, and check that pumps are still fit. Our PE day is a Wednesday.
To read at home		Daily using the online e-books. https://ebooks.collinsopenpage.com/ Children are also encouraged every day to choose a sharing book from our class collection.
Homework		Homework set on a Friday via Dojo Activities to be completed by the following Wednesday.

Please avoid bringing backpacks to school due to space in our cloakrooms.

Please remember to check your Class Dojo app daily for up to date individual, school or specific class information. Our School Website and Facebook Page are also vital sources of information.
