

St Mary's Curriculum Map

Year: 1	Class: 4	Summer 2 2022	Theme: Travel and Transport
----------------	-----------------	----------------------	------------------------------------

Class Teacher: T Ireland/ L Orr	Teaching Assistant: Ms Cheshire
--	--

Other Adults: Mrs Law Mrs Moss

This curriculum information will help you to help and support your child's learning this term. The Curriculum Map shows the main areas of learning that your child will undertake during this term.

<p>A summary of our learning for this half term:</p>	<p>During this half term Class 4 will be comparing transport from different times as part of our History work. We will learn to explain some ways in which cars and trains have changed and developed over time. We will know that old trains were slower and ran on steam but new trains are fast and run on electric. In Design and Technology we will learn how to make a moving picture of a rocket using levers, wheels and winding mechanisms. In computing we will learn to add images or text to create an animated book. In art we will be looking at the work of Van Gogh and his 'Starry night' painting which we will link to our work in English. In PE we will learn how to catch and throw a ball and to understand about using space effectively as well as practising for our school sports day. In music we will continue to learn our songs from Betty Bear ready for our performance.</p>
--	---

<p>Key Vocabulary across the wider curriculum includes:</p>	<table border="1" style="margin: auto; border-collapse: collapse;"> <tr> <td style="padding: 5px;">timeline</td> <td style="padding: 5px;">changes</td> </tr> <tr> <td style="padding: 5px;">transport</td> <td style="padding: 5px;">seatbelts</td> </tr> <tr> <td style="padding: 5px;">museum</td> <td style="padding: 5px;">steam</td> </tr> <tr> <td style="padding: 5px;">photograph</td> <td style="padding: 5px;">electric</td> </tr> </table>	timeline	changes	transport	seatbelts	museum	steam	photograph	electric	
timeline	changes									
transport	seatbelts									
museum	steam									
photograph	electric									

<p>Through our RE lessons this term the pupils will study the following:</p>	<p>Miracles- In this topic the children explore the role of miracles in the life of Jesus. The children will learn that Jesus had the power to perform miracles and that he performed miracles to show his love and care for others. They will hear the stories of the Calming of the Storm, the healing of the paralysed and blind man. They will reflect on the message of the miracle stories and on how they act towards others.</p>
--	---

<p>My Happy Mind & Wellbeing sessions</p>	<p>Module 5 Engage The children will bring together everything the children have learnt throughout the My Happy Mind curriculum .It has a particular focus on using the knowledge and skills they have acquired to help them to engage in the world through goal setting. Integral to this is focusing on the character strength of perseverance, which links closely to resilience.</p>
---	---

<p>PHSE- Money Matters -living in th Wider world.</p>	<p>Learn about the difference between needs and wants and that sometimes people may not always be able to have the things they want. Learn that money needs to be looked after and the different ways of doing this. Discuss that jobs help people to earn money to pay for things and the different jobs that people they know or people who work in the community do. Learn about some of the strengths and interests someone might need to do different jobs</p>
---	---

<p>PHSE Links this half term:</p>	<p>Discuss things they can buy in the shops and talk about about different sources that money can come from. Identify things they want. Link to maths work on money.</p>
-----------------------------------	--

	English	Maths
This half term our learning will be:	<p>This half term the children will be reading 'How to catch a star' by Oliver Jeffers as part of our Talk for write unit as well as reading poems to enhance their vocabulary and to practise their reading skills.</p> <p>We will continue to consolidate our work on er, est, ed endings as well as punctuation marks including questions.</p>	<p>In Maths, the Children will build on their previous learning of numbers to 50 They will continue grouping in 10s to make counting quicker and more efficient. Children will be introduced to the hundred square and use it to count forwards and backwards within 100.</p> <p>As part of the work on money Children will recognise and know the value of different denominations of coins. They will use their knowledge of place value to match coins with equivalent values. For example, ten 1 pence coins is equivalent to one 10 pence coin.</p> <p>Finally, Children will be introduced to telling the time to the hour using an analogue clock.</p>

Things to Remember

P.E. Kit	In school each day. Taken home for a wash at holiday time. Please check pumps fit. Our PE day is Thursday
To read at home	Daily, please record what book your child has read by sending a message on Class Dojo. Books will be changed once we have received a message.
Homework	A weekly homework task will be sent home via Class Dojo on a Friday and will need to be completed by the following Wednesday
Please avoid bringing backpacks to school due to space in our cloakrooms.	
Please remember to check your Class Dojo app daily for up to date individual, school or specific class information. Our School Website and Facebook Page are also vital sources of information.
