

## Agencies to support SEND pupils

- **PEAK Sleep** <https://www.peaksleep.co.uk/>

Peak Sleep was founded in the summer of 2021 in response to a clear need for gentle, evidence-based sleep support, mainly (but not exclusively) for parents of children with special educational needs or disabilities.

My main offer is group training for professionals and charities / parent organisations but I have also had a small caseload of private clients, both adults and parents.

I work alongside a number of experienced specialists, mental health therapists and professionals from various disciplines and can refer you on to their care if appropriate

- **Autism Inclusive** <https://www.aicrewe.org.uk/>

**Autism Inclusive**

**AI @ St Marks**

**Bramhall Road**

**Crewe**

**Cheshire**

**CW2 8PS**

At Autism Inclusive we believe that the best way to serve our community is to develop good relationships with other local charities, Community Interest Companies, and organisations.

This improves both our level of service to the community and also supports other groups, having a setting from which to grow and develop their own support network. If you're interested in partnering with us, for more information about availability and rental prices, please get in touch via our contact form.

See below for those currently partnered with us:

**Family T.I.E.S**

Family Ties are specialists in child development, providing support to schools, children, teens and their families with all aspects of emotional health. This is delivered by family support work, play therapy, social work and education.

**BETHANY WALKER**

**Bethany Walker Respite & Support**

Bethany Walker and her team provide support for families whose children have complex needs. The team assists children and young people via one-to-one support to access activities in their community, better developing their sense of independence whilst offering families respite opportunities.

**ProACT Consultancy & Training**

Mick Rimmington is an autism consultant and behavioural therapist, supporting autistic adults and children and their families. Mick provides group support, counselling, online consultancy and educational workshops such as Understanding Autism and Challenging Behaviour

**Flutterbys**

Flutterbys provides support to people of all ages who are struggling with gender identity, transgender issues or anything LGBTQ+ related. Working with children, teens, families and older individuals, Flutterbys offers non-judgmental advice, empowerment and support.

### **Springfield School**

One of Crewe's most established and well-known specialist schools, the Springfield Outreach Team utilise the A.I. setting on a weekly basis. The group is run specifically for those families in the local community who want to develop links with the school prior to their children being of school age.

### **Smart Bright Training & Consultancy**

Smart Bright delivers a host of services; EHCP and legal consultations for families, education workshops on subjects such as Anxiety, Sensory Play, Advocating for your Child, as well as Smart Bright Movers sessions for young children and families to develop parent and child relationships

### **Cheshire Buddies**

Cheshire Buddies aim to give children and young people with disabilities and their siblings new experiences to enhance their lives, develop skills and to offer opportunities to make friends.

- **Parent carer forums 'Cheshire East'** <https://cepcf.org/>

A parent carer forum is a group of parents and carers of disabled children and young people. Our aim is to make sure the services in Cheshire East meet the needs of disabled children / young people and their families. Cheshire East Parent Carer Forum welcomes all parent carers who have children / young people (age 0-25) with SEND in Cheshire East. Members can access information, peer support and training from CEPFC, and can share their lived experiences and views of SEND services in Cheshire East to help make things better.

- **Parent carer 'Cheshire West and Warrington'** <https://www.pcfcheshirewest.org/>

- **CHAPS**

Inspiring families to achieve more

ChAPS supports and educates parents to help your child be the best that they can be.

- **Children's Adventure Trust** <https://caft.co.uk/>

- **SPOTSS Cheshire**

The Sensory Processing Occupational Therapy Support Service (SPOTSS) for Cheshire, is a newly formed NHS service aimed at delivering tiered support to Autistic children or those with Autistic features who have *sensory processing needs* within their settings.

The service is currently delivering a core offer focusing initially on primary and secondary schools in Cheshire. The tiered service pathway consists of *universal, targeted/specialist* support. Within SPOTSS's Eventbrite collection you will be able to access training courses as part of the Universal support. These aim to provide participants with fundamental knowledge related to Sensory Processing and its impact on learning and development.

They are open to any member of school staff across Cheshire East and Cheshire West and Chester Schools.
