

St Mary's

Catholic Primary School and Nursery

St Mary's Catholic Primary School Curriculum

Year: Nursery - Autumn Term 1

Main Themes:

Monkey and Me

Pete the Cat

End Points	<p>This half term we will be settling into the Nursery routine and getting to know each other. Some children will be learning to be at Nursery without their parents and to understand that parents will come back to collect them. It is a time of huge adjustment. Children coming into Nursery will have had various experiences from never having left a parent ever before to attending Nursery full time and therefore, a transition to our Nursery.</p> <p>Time needs to be allowed for children to get to know and settle into the Nursery routine; establish good relationships with Nursery staff and with each other and to begin to feel happy, safe and secure within the Nursery environment. Some children will settle very well, very quickly, others will need a phased start (reduced hours).</p> <p>There will be particular emphasis upon the Prime areas of learning – Communication and Language, Personal, Social and Emotional Development and Physical Development.</p> <p>During this half term, all children will be assessed individually and as informally (and fun!) as possible by Mrs Kerry, in mathematical ability and in communication and language skills. The WellComm Assessment programme will be used for most children – exceptions will be English as an Additional Language children who are unable to access the assessment programme yet.</p> <p>Every day we will have a carpet time and begin to learn to sit for a short time and to listen carefully. We will be finding out about how to pray and how to make the sign of the cross.</p> <p>Throughout our practise we will be including “Foundations for Phonics” which is part of the Little Wandle programme. For this half term we will focus upon Phase 1 Phonics, as Little Wandle begins after half term for Nursery.</p> <p>We will be following EYFS Master the Curriculum in Maths.</p> <p>We will be finding out about colours using the stories “Monkey and Me” and “Pete the Cat”.</p>
Religious Education	<p>Unit of Work: God's Wonderful World</p> <ul style="list-style-type: none">• To talk about the things God made for us.• To know about the names of some animals in God's World

St Mary's

Catholic Primary School and Nursery

	<ul style="list-style-type: none"> To know that God made each one of us. To know that God loves each one of us. 				
Personal, Social and Emotional Development	Safeguarding Curriculum Links		Development matters		
	Building friendships – establishing rules – Golden rules. Match safety/scissor safety Firework safety RHE Good feelings/bad feelings Medicine Safety Fire drill/invacuation drill Stop when you hear the bell.
