**At SMART Club, we strive to create a safe and enjoyable space for children to learn, grow, and have fun. Join us for an unforgettable experience!**

Our club is dedicated to creating a stimulating and safe environment for children. We are fully committed to ensuring that our premises are welcoming and child-friendly, not only for the children themselves but also for their parents, caregivers, and any other visitors.

Our club's facilities are designed to be safe, secure, and spacious, fulfilling their intended purpose. We strive to cultivate an inviting environment and atmosphere that is appealing to children, while also providing the necessary resources for a diverse range of activities.

In line with our commitment to inclusivity, the club prioritises equal access to facilities, activities, and play opportunities for all children, including those with Special Educational Needs and/or disabilities.

We take every possible step to ensure that every child can fully participate and benefit from their time at the club.

But the excitement doesn't end there! During school holidays, we offer a fantastic program filled with creativity and free play. Your child will have the opportunity to engage with various visitors, including sports coaching and thrilling animal encounters. Additionally, we make use of the school's computing suite and take advantage of the playground, field, and wooded area to provide a diverse and stimulating environment.
